

is pleased to host its

1st Annual National Conference

“Embracing Ability: Redefining a Diverse Workforce”

March 12th & 13th, 2013

The Empire Landmark Hotel, Vancouver BC

Focusing on best practices in inclusion of persons with disabilities in the workforce, this conference will bring together forward thinking employers, innovative service providers and dynamic individuals with disabilities. The goal is to collaborate to do things better.

Diversity has become a key issue in the workplace and persons with disabilities are succeeding in the work world offering excellent skills, innovative ways of doing things and a fresh perspective. Learn about best practices and new ways to attract, hire, train and develop this untapped resource.

Our four keynote speakers offer unique perspectives from a variety of backgrounds and standpoints. Hear about exciting new initiatives in Canada, the US and South Africa from: Alfred Spencer, Mark Wafer, Nadine Vogel and Shakila Maharaj.
