

# Disability and Community Support Program

## 30th Anniversary and Alumni Celebration

**Date:** Thursday, May 22nd, 2014

**Location:** CGA Room at the RRC (160 Princess St)

**Time:** 4:00 – 6:00 p.m.

Please join students and faculty of Red River College's - Disability and Community Support program in celebration of 30 years of the program in Manitoba. It will be an opportunity to meet old friends and colleagues and to find out how their experiences have contributed to the support of individuals with disabilities.

This event is being held after the Manitoba Alliance of Direct Support Professionals' inaugural meeting. Many alumni members might wish to attend both functions, so these events have been arranged on the same day, in the same location. The MADSP meeting is from 1:30 – 3:30.

If you are a student, an alumnus, or are simply enthusiastic about the DCS program please join us for hors-d'oeuvres, beverages, speeches, music, and scintillating conversation!

If you have questions, please contact Cheryl Martens at 204.632.2573.

If you can join us, please RSVP to: [dcsp30@rrc.ca](mailto:dcsp30@rrc.ca) by May, 16th, 2014.
