

Disability Issues in Northern and Rural Manitoba

April 13 and 14, 2011

8:30 am until 4:00 pm

University College of the North

The Pas, Manitoba

This two day conference will feature a number of keynote and breakout sessions covering a wide range of topics related to the challenges and perspectives of people with disabilities, their families and caregivers, service providers, the education system, and post-secondary and employment sectors with a northern and rural perspective. There will also be two evening sessions offered. If you or someone you know lives with a disability, your perspectives and contributions will be valued and appreciated. Plan on attending and reserve your place now!

Full Conference details will be released in February 2011

Registration information:
