Join us for a Panel Presentation:
Preparing Students with Disabilities for the World of Work

- Service Provider
- Employer
- Person with a Disability who is employed
- Civil Service Commission
- Educator
- marketAbilities

Panelists will address:

1. Best practices leading to meaningful employment
2. Barriers and challenges in hiring a person with a disability

There will also be an opportunity to participate in a focussed conversation on issues important to you and your family, to share your insights with government and to hear important updates from Minister Howard.

Closed Captioning and ASL will be provided as needed and requested.
